MAXIMUM QUOTA PER NOC	
Men	Up to 2 athletes
Women	Up to 9 athletes (no men)
Total	**9 athletes**

Female athletes can be registered for more than one event.

As host country, Paraguay will automatically qualify 1 team and 1 duet, for a total of 9 athletes.

8 (eight) teams of a maximum of 9 (nine) athletes each (including one reserve athlete) can participate in the team competition.

The NOCs can enter up to two (2) men to participate in the team event, within the quota established for said event.

No reserve athletes will be allowed for duets.

Athletes' eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

Only the NOCs recognized by Panam Sports whose National Federations are affiliated to World Aquatics (AQUA) and Panam Aquatics may enter competitors in the Asuncion 2025 Junior Pan American Games (ASU2025).

To be eligible to participate in ASU2025, the athlete must fulfill the Panam Sports Regulations, the AQUA rules and be entered by his/her NOC.

The nationality of the athlete will be decided in accordance with the Panam Sports Regulations and Section 3 (Sports Nationality) of Part 1 (Rules applicable to all aquatic sports) of the AQUA competition regulations.

All participating athletes must be within the following categories:

- Women U20, born between 2006 – 2010. They may be up to 19 years old by December 31, 2025.
- Men U21, athletes born between 2005 – 2010. They may be up to 20 years old by December 31, 2025.

Qualification system

The places for eligible teams and duets will qualify according to the process approved by the PanAm Aquatics Artistic Swimming Committee, as follows:

QUALIFICATION EVENTS		
DATE	EVENT	QUALIFIED ATHLETES
May 17 – 20, 2025	PanAm Aquatics Championships Medellin 2025	81 athletes

To obtain qualification for the Asuncion 2025 Junior Pan American Games, the NOCs, through their National Federations (NFs), must participate in the qualification event in Medellin 2025.

Teams:

- Five (5) teams: assigned to the NOCs with the highest total scores in the technical, free and acrobatic routines in the Junior category of each Zone.

- Host NOC (PAR): a team will be assigned if the host NOC has not qualified previously. If this place is not used, it will be reallocated to another team (following point).

- Two (2) teams: assigned to the NOCs with the highest total scores in the technical, free and acrobatic routines in the Junior category, excluding the best of each Zone and the host. If the host NOC's place is not used, the quota can be awarded to an additional team.

Mixed Duets:

- Two (2) mixed duets: assigned to the two mixed duets of the NOCs with the highest combined scores in the technical and free routines in the Junior category, as long as their NOC's teams have not qualified already. If these places are not used, they will be reallocated to women's duets (point 3 of women's duets).

Women's Duets:

- Three (3) women's duets: assigned to the best women's duets of Zones I, II and III with the highest combined scores in the technical and free routines in the Junior category, as long as their NOCs' teams have not qualified yet.

- Host NOC (PAR): a women's duet will be assigned if the host NOC has not previously qualified or if it did not confirm a team. If this place is not used, it will be reallocated to women's duets (following point).

- Three (3) additional women's duets: assigned to the three women's duets with the highest combined scores in the technical and free routines in the Junior category, as long as their NOCs' teams have not qualified yet and excluding the best of each Zone (number 1 of women's duets). If the mixed duets and/or the host NOC's places are not used, three additional women's duets may receive these quotas.

Confirmation of quotas

No later than May 21, 2025, Panam Aquatics will confirm to Panam Sports and the NOCs the places qualified by the NOCs.

No later than May 26, 2025, the NOCs must confirm to Panam Sports and Panam Aquatics the places they will use.

Reallocation of unused quotas

If necessary, Panam Aquatics will reallocate unused quotas to the next best positioned NOCs in the corresponding event.

The NOCs that receive reallocated quotas must confirm their participation no later than May 28, 2025.

As host country, Paraguay will automatically qualify 3 women and 1 man for the ASU2025 Junior Pan American Games, if it has not qualified yet. Such divers will not count towards the calculation of Zone 1 divers under the Qualification System described below.

Each NOC may enter a maximum of eight divers, four men and four women.

All NOCs may enter a maximum of two divers per individual event.

Athletes' eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

Only the NOCs recognized by Panam Sports whose National Federations are affiliated to World Aquatics (AQUA) and Panam Aquatics may enter competitors in the Asuncion 2025 Junior Pan American Games (ASU2025).

To be eligible to participate in ASU2025, the athlete must fulfill the Panam Sports Regulations, the AQUA rules and be entered by his/her NOC.

The nationality of the athlete will be decided in accordance with the Panam Sports Regulations and Section 3 (Sports Nationality) of Part 1 (Rules applicable to all aquatic sports) of the AQUA competition regulations.

All participating athletes must be Under-23, athletes born in 2003 or afterwards. The athletes must be up to 22 years old by December 31, 2025.

Qualification system

NOCs may only send competitors to the ASU2025 Junior Pan American Games who have qualified through the system established by PanAm Aquatics and AQUA.

QUALIFICATION EVENTS		
DATE	**EVENT**	**QUALIFIED ATHLETES**
May 13 – 17, 2025	PanAm Aquatics Championships Medellin 2025	29 men 27 women

The results of Medellin 2025 will qualify athletes for the ASU2025 Junior Pan American Games. The process to obtain quotas is the following:

1. A maximum of 8 quotas can be allocated to an NOC.
2. A maximum of 4 quotas is reserved for the host NOC.
3. The quotas shall be distributed as follows:
    - The top 8 athletes of Zone I will obtain a quota for their NOC.
    - The top 4 athletes of Zone II will obtain a quota for their NOC.
    - The top 8 athletes of Zone III will obtain a quota for their NOC.
    - The top 8 athletes of Zone IV will obtain a quota for their NOC.
    - The top 8 athletes of Zone V will obtain a quota for their NOC.
    - The remaining 20 quotas will be allocated to the top-ranked athletes who have not yet obtained a quota for their NOC.

If a zone does not use all its quotas, the unused quotas will be allocated to another zone considering gender equity.

Allocation - Phase 1

1. NOCs can obtain quotas by competing in Medellin 2025, Colombia.
2. The best positioned athletes in the open category event will secure a quota for their respective NOC, to a maximum of 2 quotas per event and per gender. To be eligible to qualify for ASU2024, athletes must compete exclusively in 10m Platform, in the open category of the platform event (PLT).
3. Quotas will be allocated according to qualification. In the event of a tie in qualifications the results of the 3M and PLT events will prevail over the 1M events.
4. If there is a tie in qualifications between the 3M and PLT events, the allocation order shall be determined by the percentage of a standard score.
    - The standards for men's events will be 6 dives x 60 points = 360 points for 3M and PLT.
    - The standards for women's events will be 5 dives x 55 points = 275 points.

5. Each athlete can earn a single quota for his/her NF, regardless of the number of events that he/she participates in.

Example of a tiebreak. A male athlete A takes fifth place in 3M with a score of 350. A female athlete B takes fifth place in platform with 280 points. Athlete A achieved 97.2% of the standard. Athlete B achieved 101.8% of the standard. The quota will be assigned to athlete B first. If places remain available, athlete A will receive the next allocation.

Allocation - Phase 2

1. NFs must submit a request of additional quotas before Medellin 2025 (May 12). If quotas become available after Phase 1, they will be allocated accordingly.
2. Additional quotas shall be allocated according to the following priority system:
   a) Priority 1 – NOCs that obtained a place among the top 30 in the Paris 2024 Olympic Games.
   b) Priority 2 – NOCs that obtained a place among the top 18 in the Cali 2021 Junior Pan American Games.
   c) Priority 3 – NOCs whose NFs obtained a place among the top 18 in the Junior Pan American Diving Championship Lima 2023.
   d) Priority 4 – NOCs that obtained a place among the top 12 in the South American Games or the Central American Games.
3. All ties shall be assigned in the order described in sections Phase 1.3 and Phase 1.4.
4. Junior Standards:
   a) Men A, B, C: 50 points per dive x the number of required dives.
   b) Women A, B, C: 45 points per dive x the number of required dives.

Any case that are not mentioned here will be discussed PAQ DV Commission

Confirmation of quotas

No later than May 19, 2025, Panam Aquatics will confirm to Panam Sports and the NOCs the places qualified by the NOCs.

No later than May 22, 2025, the NOCs must confirm to Panam Sports and Panam Aquatics the places they will use.

Reallocation of quotas

If necessary, no later than May 23, 2025, PanAm Aquatics shall reallocate unused quota according to the priority system in the ranking described above.

The NOCs that receive reallocated quotas must confirm their participation no later than May 26, 2025.

Qualification for the Lima 2027 Pan American Games

In Diving, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 3 places per gender (6 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

May 21 – 23, 2025	PanAm Aquatics Championships Medellin 2025	19 men 19 women

To obtain qualification for the Asuncion 2025 Junior Pan American Games, the NOCs, through their National Federations (NFs), must participate in the qualification event in Medellin 2025. In this event, quotas will be awarded based on the results obtained in each individual 10 km combined event (18 – 22 years old), with a maximum of two quotas per gender.

The allocation of the 19 quotas per gender will be carried out according to the following priority order:

1. A maximum of 5 quotas will be allocated to the first five positions of Zone I.
2. A maximum of 3 quotas will be allocated to the first three positions of Zone II.
3. A maximum of 3 quotas will be allocated to the first three positions of Zone III.
4. A maximum of 2 quotas will be allocated to the first two positions of Zone IV.
5. A maximum of 2 quotas will be allocated to the first two positions of Zone V.
6. Once the quotas corresponding to each zone have been allocated, the four best remaining positions in the Medellin 2025 10 km event will qualify the respective NOCs.
7. Should any quotas remain available after applying the above criteria, the quotas will be reallocated to the athletes placed in the next best positions of the overall result in Medellin 2025, regardless of the zone.

The host NOC can obtain a second quota by gender as long as one of their athletes fulfills the requirements established in points 1, 6 or 7 of the priority order.

Confirmation of quotas

No later than May 23, 2025, Panam Aquatics will confirm to Panam Sports and the NOCs the places qualified by the NOCs.

No later than May 26, 2025, the NOCs must confirm to Panam Sports and Panam Aquatics the places they will use.

Reallocation of unused quotas

If necessary, Panam Aquatics will reallocate the declined quotas according to the zone in which the declination occurred until the quota is completed in accordance with the above-mentioned criteria.

The NOCs that receive reallocated quotas must confirm their participation no later than May 28, 2025.

Qualification for the Lima 2027 Pan American Games

In Open Water, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 1 place per gender (2 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

*An NOC that participates in relays can have 4 relay-only athletes, two per gender. For further clarity, a maximum of 2 men and 2 women within the NOC's maximum quota.

Athletes' eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

Only the NOCs recognized by Panam Sports whose National Federations are affiliated to World Aquatics (AQUA) and Panam Aquatics may enter competitors in the Asuncion 2025 Junior Pan American Games (ASU2025).

To be eligible to participate in ASU2025, the athlete must fulfill the Panam Sports Regulations, the AQUA rules and be entered by his/her NOC.

The nationality of the athlete will be decided in accordance with the Panam Sports Regulations and Section 3 (Sports Nationality) of Part 1 (Rules applicable to all aquatic sports) of the AQUA competition regulations.

All participating athletes must be Under 23, born between 2003 – 2009. The athletes can be up to 22 years old by December 31, 2025.

Qualification system

Qualification period: January 1, 2024 – May 17, 2025.
As host country, Paraguay will automatically qualify 14 male athletes and 14 female athletes.

The NOCs can only send athletes to ASU2025 who have qualified through the system established by Panam Aquatics.

Each National Olympic Committee (NOC) may use the proven swim times obtained during the qualification period by those swimmers who have met the qualification standards established by PanAm Aquatics for ASU2025.

PanAm Aquatics has established the following eligible events to be used as qualification events for these Games:

- AQUA World Championships.
- Continental championships.
- ASU2025 Junior Pan American Games qualification event: PanAm Aquatics Championships Medellin 2025, on May 13th to the 17th.
- National championships and events.
- For additional events, please send your request before the start of the event to office@panamaquatics.com. At the end of the event, the results files must be sent to Swimcloud to the email: results@swimcloud.com.

The priority order for qualification and selection for ASU2025 will be:

1. All athletes with an "A" qualification time (PQT) (last page of this document)
2. Relay-only athletes
3. Universality quotas (Universality quotas are guaranteed, however, the names will be released once the PST B process is finalized)
4. Invited athletes who have achieved a "B" time (PST) (last page of this document)

Pan American Qualification Time (PQT / "A" Time) and Pan American Selection Time (PST / "B" Time)

- For each individual event of the Junior Pan American Games, PanAm Aquatics will establish 2 (two) types of standard entry times:
  a. Pan American qualification time (PQT / "A" Time)
  b. Pan American selection time (PST / "B" Time)

- The above-mentioned times can only be achieved in competitions approved by PanAm Aquatics for that end during the qualification period.

Athletes who have achieved the Pan American qualification time (PQT / "A" Time)

- Athletes who achieve the PQT / "A" Time in one or more individual events will automatically qualify to participate in ASU2025.

- The NOCs can enter up to two (2) athletes per gender in the same event if both athletes have achieved the PQT / "A" Time.

Universality

- NOCs without athletes that have achieved a PQT / "A" Time or a PST / "B" Time may enter a maximum of two (2) men and two (2) women.

- NOCs with athletes who have achieved a PQT / "A" Time and/or who have been selected by PanAm Aquatics for a PST / "B" Time in only one (1) gender, may also enter athletes by universality to complete the maximum quota per gender.

- Under the universality rule, each NOC is guaranteed the entry of two male and two female athletes, each of whom may participate in a maximum of three individual events, without having a qualification time for any event.

- An NOC that enters universality athletes for ASU2025 is eligible to enter mixed relays, **but may not enter relay-only athletes.**

- Universality quotas must be in the long list of the Organizing Committee's system and be registered by the NFs in Swimcloud.

- Universality quotas must be requested no later than **May 18, 2025,** to PanAm Aquatics and Panam Sports, to the following emails: office@panamaquatics.com y andrea@panamsports.org

- Universality quotas and the athletes' names by universality will not be final until PanAm Aquatics completes the allocation of PST / "B" and the reallocation process.

- During that process, PanAm Aquatics will, as required, reallocate quotas to NOCs that have guaranteed universality quotas available and request the NOC to confirm the name(s) of the athlete(s) who will occupy those places (no more than two men and two women per NOC, in accordance with the universality rule and the event(s) in which they will participate).

Relays and relay-only athletes

- Each NOC may enter a team in each relay event, provided that it has at least one athlete with PST / "B" standards that has been invited to compete in ASU2025.

- Each NOC will be allowed a maximum of one relay-only athlete per gender. The NFs must send their relay-only athletes requests to PanAm Aquatics until **May 18, 2025,** detailing the names and last names of each one of them. All other athletes who participate in relays must be entered in at least one individual event.

- Any athlete entered to compete in an individual event may swim in any relay and does not need a qualification time in the specific distance/style to do so.

- Relay-only athletes are only eligible to swim in relays and will not be allowed to swim in any individual event. A relay-only athlete must participate in at least one relay (whether in preliminary rounds or finals).

- Each of the relay-only athletes must have a qualification PQT / "A" Time or PST / "B" Time in the style/distance that he or she will swim in a relay.

- If a relay-only athlete does not compete, this leads to disqualification of the NOC relay team in the last race in which he/she competed. In addition, if a relay-only swimmer fails to compete in the heats of a relay in which the NOC fails to qualify for the finals, the relay will be disqualified. If a relay-only athlete participates in multiple relays but does not compete in any relay for which he or she is eligible, the final relay for which he or she was eligible shall be the relay that is disqualified.

- If a relay-only athlete is unable to compete for medical reasons, he/she may be excused from the requirement to participate in a relay. A member of the Panam Sports Medical Commission or its designee will be present at the heats and finals and will be the independent physician with the authority to make decisions on the participation of relay-only athletes.

- The designated physician has the final authority to make decisions on non-participation due to injury or illness, including those related to relay-only athletes. In addition, he/she is responsible for determining the permitted use of tape on athletes' bodies.

- The participants in relays can be completely different between heats and finals, with up to eight different athletes.

Invited athletes who have achieved a Pan American selection time (PST / "B" Time)

- After finishing the PQT / "A" Time qualification period and if the quota of 272 athletes is not achieved, PanAm Aquatics will evaluate the number of athletes who achieved a PQT / "A" Time, the number of relay-only athletes and the number of universality quotas.

- PanAm Aquatics will then invite athletes who have achieved a PST / "B" Time until the total quota of 272 athletes is reached. The PST places shall be distributed by event, according to the position in the AQUA World Ranking of May 17, 2025.

- The NOCs may enter up to two (2) athletes in the same event if both athletes have achieved a PST / "B" Time.

- Athletes invited through PST / "B" Times are allowed to compete in a maximum of five individual events, including the event on which their selection was based, provided that the NOC has place for that specific event.

- The rule of a maximum of two entries per event and per NOC still applies and these athletes may not be entered in an event that already has athletes of the NOC who have achieved the PQT / "A" time in that event.

Pre-entry process in Swimcloud

The NFs must carry out a pre-registration process in Swimcloud, for which the NFs must access and upload the information of the athletes and their results. For this purpose, up to two people authorized by each National Federation may register in the system. It is suggested that the technical directors, coaches or administrative personnel manage the information of the athletes and/or their results.

National Federations must submit the nomination of their Swimcloud data managers by downloading, completing and returning the following signed form by **March 30, 2025:**
https://drive.google.com/file/d/1WwVf3uGiBdrphAw6H1new5icfXwMUBR5/view

An informative virtual meeting will be held on **May 1 at 10:00 ET,** to which only authorized persons from each National Federation will be invited as Swimcloud data managers. The meeting will be available in English and Spanish.

Swimcloud data managers must activate their account on the platform, upload the information of all potential athletes to participate, and the respective results of the events where they achieved the times. The results of qualifying events, including national championships, can also be sent to the e-mail address: results@swimcloud.com.

Results must be sent according to the following guidelines (more information here):

- **Allowed formats:** Active Hy-Tek (.CL2 or .SD3), Lenex Meet Manager (.len), Splash Meet Manager (.xml).
- **Prohibited formats:** PDF and HTML.

The pre-entry system will open at 10:00 (ET) – **May 1, 2025.**
The pre-entry system will close at 23:45 (ET) – **May 18, 2025.**

NOTE: The numerical entry and long list must be submitted by the NOCs through the ASU2025 system on time, which is before May 9, 2025. The long list must include all potential athletes who can participate, which is: by attaining a PQT / "A" Time, a PST / "B" Time, by being a potential relay-only athlete or by universality (consider two or more candidates for medical reasons).

Confirmation of quotas

No later than May 21, 2025, PanAm Aquatics will confirm to Panam Sports and to the NOCs the places qualified by the NOCs.

No later than May 26, 2025, the NOCs shall confirm to Panam Sports and PanAm Aquatics through a specific format which shall be signed in conformity by the NOC and the NF.

Reallocation of quotas

If necessary, PanAm Aquatics will complete the quota according to the following order:

1. Invited athletes who have achieved a selection time for the Junior Pan American Games (PST) "B" Time
2. Reallocation of (PST) "B" Times for selection for the Pan American Games

This process shall start as of May 27, 2025.

The NOCs that receive reallocated quotas must confirm their participation no later than May 30, 2025.

Qualification or the Lima 2027 Pan American Games

In Swimming, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 14 quotas per gender (28 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

Athletes' eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

Only the NOCs recognized by Panam Sports whose National Federations are affiliated to World Athletics / APA may enter competitors in the Asuncion 2025 Junior Pan American Games

The NOCs may send to the Asuncion 2025 Junior Pan American Games only competitors who have qualified according to the system established by World Athletics and APA. The competitors must be U23 (born between 2003 – 2007).

Male and female athletes who compete in Throws, Heptathlon, Decathlon and 10,000, must be at least 18 years old (born between 2003 - 2006).

Any 17 year-old athlete can compete in any event with the exception of Throws, Heptathlon, Decathlon and 10,000m.

Qualification system

Each NOC may enter a maximum of 2 (two) athletes per individual event; that is, a maximum of **40 athletes per gender**, with the following conditions:

a) In accordance with the maximum quota of competitors per individual event, the first positions will be taken into account according to the Pan American area ranking of January 1, 2024 and until midnight of April 27, 2025, until completing the maximum quota for each event. The World Athletics ranking per event shall be used as a reference.

For the 4 x 100m and 4 x 400m relays, men and women; and 4 x 400m mixed relay, the national teams shall qualify according to the following:

The Technical Delegates and the APA will invite the national teams until completing 8 teams per relay, using as a basis the Pan American area rankings from January 1, 2024, until April 27, 2025 and will communicate this to the respective NOCs.

Each invited NOC will participate with athletes who are entered in any individual event. No athletes will be added for relays.

Universality quotas

The principles of universality, parity and equity shall be observed. All NOCs are entitled to enter at least one (1) man and one (1) woman in any event. The NOCs must send their universality quotas request no later than April 25, 2025, to the following emails: jurogo2014@gmail.com, asociacion.panamericana.de.atletismo@athletics.com and andrea@panamsports.org. The request must include the names of the athletes, event and mark.

Host country

Paraguay will automatically qualify one (1) athlete for all Athletics event where it does not have any qualified athletes, as the host country of the Asuncion 2025 Junior Pan American Games.

The validity of the results must comply with the following:

The results must be achieved in competitions organized or endorsed by World Athletics, its association in the area (NACAC/South American Athletics) or member federations. Therefore, results obtained in school or university competitions must be certified by the member federation of the country in which the competition was held.

The results must be achieved in an official competition organized according to the current regulations of World Athletics.

The results obtained in mixed events (refer to Rule 9 (RT9)) shall only be accepted under the following circumstances: For all field events and 5,000m races or longer that are held inside a stadium, the results shall be considered as follows:

- Will be automatically accepted if achieved in national competitions.
- Will only be accepted with the approval of the area's association if achieved in competitions that fulfill Rule 1.1 (i) and (j) of World Athletics.
- Will not be accepted if obtained in competitions held according to Rule 1.1 (a) to (h) of World Athletics.

Results obtained with tailwind will not be accepted.
Manually timed results will not be accepted in the 100m, 200m, 400m, 800m, 1,500m, 110m/100 m hurdles, 400m hurdles, 4 x 100m and 4 x 400m relays and 4 x 400m mixed relays events.
Results of all field events held in indoor tracks, as well as races of 200m or more, shall be accepted.
Results from events of 200m or more obtained on oversized indoor tracks will not be accepted (more than 200m).

QUALIFICATION EVENTS		
Date	**Competition**	**Qualified athletes**
January 1, 2024 to April 27, 2025	Pan American area ranking	248 men 248 women

Confirmation of quotas

No later than April 30, 2025, APA will confirm to Panam Sports and the NOCs the places qualified by the NOCs.

No later than May 5, 2025, the NOCs must confirm to Panam Sports and APA the places they will use.

Reallocation of unused quotas

If necessary, no later than May 7, 2025, APA will reallocate the declined quotas to the next NOC (based on the Pan American ranking) that has not qualified yet.

The NOCs that receive reallocated quotas must confirm their participation no later than May 9, 2025.

Qualification for the Lima 2027 Pan American Games

In Athletics, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 19 places per gender (38 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

In the Asuncion 2025 Junior Pan American Games, the 20km race walk athletes may obtain their qualification mark for the Tokyo 2025 World Athletics Championship.

Number of participants per country:
The maximum number of participants a country can have is six. Four in recurve (2 men and 2 women), and two in compound (1 man and 1 woman).

Quotas for Paraguay as host country:
Due to its status as host country, Paraguay will automatically receive the following quotas:

- Recurve: 1 individual quota per gender, in total 2 quotas.
- Compound: 1 individual quota per gender, in total 2 quotas.

To compete in the men's and women's recurve team events of the Asuncion 2025 Games, Paraguay must win the team places in one of the two qualifying competitions, as any other NOC.

Athlete eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.
All athletes must be within the U21 category (athletes born between in 2005 or after).

Qualification system

Qualification for the II Junior Pan American Games Asuncion 2025 will be held in two competitions:

QUALIFICATION EVENTS		
Date	**Competition**	**Qualified Athletes**
May 6th – 13th, 2024	Pan American Youth Championship, San Salvador	15 men – 10RM +5CM 15 women – 10RW + 5CW
March 18th – 23rd, 2025	Buenos Aires, ARG	15 men – 10RM +5CM 15 women – 10RW + 5CW
	Host country	4 athletes – 2 men + 2 women
	Wild Cards	4 athletes – 2 men + 2 women

The participants by category in the Junior Pan American Games will be the following:

- Recurve Women: 22 (5 teams of 2 archers and 12 individual archers)
- Recurve Men: 22 (5 teams of 2 archers and 12 individual archers)
- Compound Women: 12 individual archers of 12 different countries.
- Compound Men: 12 individual archers of 12 different countries.
- Recurve Mixed Teams: As many teams as countries that qualified at least one man and one woman.
- Compound Mixed Team: As many teams as countries that qualified at least one man and one woman. The qualifying system will guarantee a minimum of 5 mixed teams.

<u>The following places will be allocated in the Pan American Youth Championship in San Salvador:</u>

For Recurve events

- Two (2) places per gender for each of the first three (3) countries in the team event.
- Paraguay may participate in the qualification team event and if it is placed among the first three (3), it will earn a spot for the Games' team event.
- The team event will be held separately from the team event of the Pan American Youth Championship. The teams' qualification event will be held with two archers from each country in each team. These archers must have been born in the year 2005 or afterwards.
- Archers born in 2004 may participate in the 2024 Pan American Championship but will not be able to earn spots for the 2025 Games.

- The best four (4) individual positions by gender (only one per country) for archers whose countries did not earn a team quota.
- If the 4 individual quotas are not completed in the qualification event, the unassigned quotas will be allocated in the second qualification event.
- This allocation of individual quotas will be held in a round of matches independent from the Pan American Championship, in which only athletes born in 2005 or after who come from countries that did not earn team quotas will be able to participate.

For Compound events

- One quota per gender for the three (3) top mixed teams (3 quotas per gender in total). The mixed team event of the first qualification event will be held separate from the mixed team event of the Youth Pan American Championship, to ensure the fulfillment of the age requirement for 2025.
- This mixed team qualification event will include only the archers who were born in 2005 or after.
- Archers born in 2004 will be able to participate in the 2024 Pan American mixed team event but will not be able to earn quotas for the 2025 Games.

- The best two (2) individual positions by gender (only one per country) for archers whose countries did not earn a mixed team quota (2 quotas in total).
- If the 2 individual quotas are not completed in the qualification event, the unassigned quotas will be allocated in the second qualification event.
- This allocation of individual quotas would be held in a round of matches independent from the Pan American Championship, in which only athletes born in 2005 or after who come from countries that did not earn mixed team quotas would be able to participate.

<u>The following quotas will be allocated in the second qualification event:</u>

For Recurve events

- Two quotas per gender for each of the first two (2) countries in the qualification event's team event.
- Paraguay may participate in the qualification event's team event and if it is placed in the first two spots, it will earn a team quota for the Games.
- This team qualification event will be held with two archers from each country in each team. These archers must have been born in 2005 or after.
- If a country that earns a team quota in the second qualification event had already won an individual quota in the first qualification event or as host country, the individual quota will be vacant and will be allocated in the second individual qualification event.

- The best six (6) individual positions by gender (only one per country) for archers whose countries did not earn a team quota in either of the two qualification events, or individual quotas in the first qualification event.

- If the total number of individual quotas for a gender are not completed in the two qualification events, the unassigned quotas will be allocated by World Archery Americas.
- The allocation of individual quotas in the second qualification event will be held in a round of matches in which only athletes born in 2005 or after who come from countries that have not earned team or individual quotas until then would be able to participate.

For Compound events

- One quota per gender for the two (2) first mixed teams (2 quotas per gender in total). If a country that earns a mixed team quota in the second qualification event had already earned an individual quota in the first qualification event, the individual quota would be vacant and will be allocated in the individual event of the second qualification event.

- The three (3) best individual positions by gender (only one per country) achieved by archers from countries that have not earned mixed team or individual quotas by then (3 quotas in total).
- If the total number of individual quotas for a gender are not completed in the two qualification events, the unassigned quotas will be allocated by World Archery Americas.
- The allocation of individual quotas in the second qualification event will be held in a round of individual matches in which only athletes who come from countries that have not earned mixed team or individual quotas until then would be able to participate.

Wild Cards

World Archery Americas will allocate one invitational spot in each of the four individual categories. The World Archery Americas Council will allocate the spots based on the selection criteria of having as many countries as possible in the Games, supporting the participation of more mixed teams in both recurve and compound archery, and including athletes who have achieved good results in the qualification events.

Confirmation of quotas

World Archery Americas will confirm to Panam Sports and to the NOCs the places that each NOC has qualified no later than March 25th, 2025.

The NOCs will confirm to Panam Sports and World Archery Americas the places they will use no later than March 28th, 2025.

Reallocation of unused quota places

If necessary, World Archery Americas will reallocate unused quotas to the next best positioned NOC that has not yet qualified, no later than March 31st, 2025.

The NOCs that receive reallocated quotas must confirm their participation no later than on April 2nd, 2025.

Qualification for the Lima 2027 Pan American Games

In Archery, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 2 places for each gender (4 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

Athlete eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

Each NOC member of the BWF and the BPAC will have the right to participate with a minimum of one (1) athlete in the Badminton Competition of the Asuncion 2025 Junior Pan American Games.

All of the participating athletes should be Under 23 (athletes born in 2003); athletes may be up to 22 years old by December 31, 2025.

Qualification system

The BPAC Executive Board has approved the following process for the allocation of quota places among the affiliated members of BPAC. The initial allocation would be as follows:

CRITERIA	MEN	WOMEN
Host Country	2 (two) spots	2 (two) spots
1st qualified country	2 (two) spots	2 (two) spots
2nd qualified country	2 (two) spots	2 (two) spots
3rd qualified country	2 (two) spots	2 (two) spots

5th qualified country	2 (two) spots	2 (two) spots
6th qualified country	2 (two) spots	2 (two) spots
7th qualified country	2 (two) spots	2 (two) spots
8th qualified country	2 (two) spots	2 (two) spots
9th qualified country	2 (two) spots	2 (two) spots
Countries qualified in 10th and below in the ranking's order (up to 32 men and 32 women)	1 (one) spot	1 (one) spot
Unqualified countries chosen by draw (up to 32 men and 32 women)	1 (one) spot	1 (one) spot

The countries' rankings are determined by adding the points of the highest ranked player / team from each country in men's singles, women's singles and mixed doubles. (A maximum total of the three rankings) using the BWF 2025 World Ranking of **March 4, 2025**. The higher the number of total points, the higher the country's ranking.

The allocation belongs to the country and not to the individual athlete. Each NOC may develop its own procedure for selecting its competitor (s) to participate in the Badminton Competition. To be entered, each competitor must also be eligible to participate in the Asuncion 2025 Junior Pan American Games.

Depending on the number of countries that register players in the Junior Pan American Games, the BPAC has the right to adjust the participation levels upwards (when there are less than thirty-two (32) registrations per gender in the initial allocation) or the Qualification System of the Asuncion 2025 Junior Pan American Games downwards (where there are more than thirty-two (32) entries by gender in the initial allocation) to reach the quota of athletes; that is, thirty-two (32) men and thirty-two (32) women.

Confirmation of quotas

The BPAC will confirm to Panam Sports and to the NOCs the places they have qualified no later than **March 7, 2025.**
The NOCs will confirm to Panam Sports and to the BPAC the places they will use no later than **March 13, 2025.**

Reallocation of unused quota places

In case the quotas of thirty-two (32) men and thirty-two (32) women are not completed in the initial allocation, additional spots will be allocated as follows.

Starting with the 10th ranked country (two (2) or less entries), each ranked country, in the order of the ranking, will be allowed to enter one (1) additional man and/or woman until the quotas are completed or all countries have been offered and additional player, whichever comes first. If the quotas are still not completed, then the process will be repeated until the quotas are completed, with each country limited to two (2) entries for men and two (2) entries for women.

For this procedure the following dates will apply:

a) March 14, 2025 (week #11) Panam Sports will inform to BPAC the number of spots that have to be reallocated.
b) March 17, 2025 (week #12) BPAC will inform to Panam Sports and to the NFs the new allocated spots for the event.
c) March 18, 2025 (week #12) Panam Sports will inform to the NOCs the new allocated spots for the event.
d) March 26, 2025 (week #13) The NOCs will inform to Panam Sports if they accept the new spots for their country.
e) March 27, 2025 (week #13) Panam Sports will inform to the BPAC the new list of spots for each NOC for the event.
f) March 28, 2025 (week #13) Panam Sports will publish on its official website the final list.

Qualification for the Lima 2027 Pan American Games

Panam Sports will grant all gold medalist in individual events, in both the Men's Singles and the Women's Singles, a direct quota for the Lima 2027 Pan American Games, which will not be part of the maximum quota indicated in the qualification process for these Games.

Personal title

1. The quota granted by Panam Sports is personal and non-transferable, as it belongs exclusively to the gold medal athlete.
2. The quota granted by Panam Sports may not be assigned to another athlete from the same country, nor to the silver medalist of the competition in case that the winner cannot participate.

Commitment to participate

1. To keep the direct classification granted by Panam Sports, the benefited athletes must meet the following requirements:
    a. A minimum of 2 participations in international championships with World Ranking Points of the Pan American circuit within the **period of August 1, 2025, to July 31, 2026.**
    b. A minimum of 2 participations in international championships with World Ranking Points of the Pan American calendar within the **period from August 1, 2025, to April 30, 2027.**

Loss of quota

1. By rejection of the NOC to the quota granted by Panam Sports.
2. Due to the inability to participate by the athlete, because of injury.
3. For not complying with the participation commitment criteria.

Qualification Rules

1. The first 5 boats in the K4 and C2 events of the 2024 Pan American Canoe Sprint Championships that are not from the host country of the Junior Pan American Games will qualify to compete in the K4 and C2 events at the Asuncion 2025 Junior Pan American Games.
2. The first 3 boats in the K1, C1 and K2 events of the 2024 Pan American Canoe Sprint Championships that are not from the host country of the Junior Pan American Games, will qualify to compete in the K1, C1 and K2 events at the Asuncion 2025 Junior Pan American Games.

3. Qualification will be exclusively in the official events of the Olympic schedule.
4. Countries that qualify for Olympic distances will be automatically registered in the non-Olympic distances, in which they must commit to participate.
5. All countries that have qualified at least one place for men and one place for women shall have the right to enter the mixed events in kayak and canoe.
6. The host country must participate in the 2024 Pan American Canoe Sprint Championships in all events it wishes to qualify for the Asuncion 2025 Junior Pan American Games, in order to validate its quotas. The awarding of quota places will be automatic with participation, regardless of the result. In case of not participating in any of the events and not reaching the maximum number of quota places provided for each NOC, the remaining quota places will be allocated according to the general criterion for reallocation of quotas.

Qualification principles

1. An athlete may participate in as many races as he/she wishes, but may only qualify 1 place for his/her country. In case of running in several events, qualification will be for the largest boat that participates and qualifies. However, after the Pan American Championship, if the country does not accept the quota achieved for the largest boat, it may accept the smaller boats following the qualification rules of those boats.
2. If an athlete competes in more than one boat and in more than one event and finishes within the qualifying positions in all or some of the events, the doubling up rules shall apply.
3. The maximum qualification quota shall be 12 athletes.
4. All qualified and subsequently confirmed quotas must be compulsorily used and registered as starting athletes in the conformation of at least one boat in the Pan American Junior Games.

Repetition of quota rules by a single athlete (doubling up)

K4-K2-K1 rule: countries participating in 2 or 3 events with the same athletes.

a) The 5 countries qualified for K4 that accept these quotas will not be considered in the qualification of K2 and K1, since they will have obtained the maximum quota of places.
b) The 3 countries qualified for K2 that have not qualified for K4 will be the winners of the quota places. If a K2 in the qualification zone has a member qualified for K4, that is, that the country already has the maximum quota places, the full K2 quota goes to the next qualified boat.
c) The first 3 countries in K1 that participate with an athlete who has not qualified for K2 and whose country has not qualified for K4, will be the winners of the quota.
d) All of the rules above will apply once the countries accept their earned quotas.
e) In case a country does not accept any of the earned quotas, said quotas will be reassigned to the next boat in the event for which it was not accepted.
f) The finalist countries in the 2024 Pan American Championship qualifier for K1-K2 that qualified through the direct route of the event or by another route, will be automatically registered in the 2025 Junior Pan American Games. The country must commit to participate.

Rule C2-C1: countries participating in the two events with the same athletes.

a) The 5 countries qualified for C2 will be automatically skipped in the C1 qualification because the maximum quota would have been achieved.
b) The 3 countries qualified for C1 that have not qualified for C2 will be the winners of the quotas. If a country qualifies for C1 and is also qualified for C2, i.e., that country already has the maximum quota, the place will go to the next boat that is not qualified for C1.
c) If a country qualifies for C2 and C1 with three different athletes, it will get only 2 places because of the maximum quota, as long as it accepts the quotas for the larger boat. In the case of declining the place in the larger boat, the country may accept the place in C1. In this case, the declined C2 place will be reassigned to the next unqualified boat.
d) All of the rules above will be applied once the countries confirm their earned quotas.
e) In the case that a country does not accept any of the earned quotas, these will be reallocated to the next boat in the race for which it was not accepted.
f) The finalist countries in the Pan American Championship qualifier for C1 that are qualified through the direct route of the event or otherwise, will be automatically registered in the Junior Pan American Games. The country must commit to participate.

Confirmation of quota places

COPAC will confirm to Panam Sports and the NOCs the places that have qualified by November 22, 2024.

The NOCs shall confirm to Panam Sports and COPAC the places they will use by November 29, 2024.

Reallocation of quotas

General reallocation

Only NOCs that have participated in the 2024 Pan American Canoe Sprint Championships will be eligible to receive unused reallocated quotas to participate in the II Junior Pan American Games Asuncion 2025.
If one or more NOCs decide not to use one or some of the quotas obtained in the 2024 Pan American Canoe Sprint Championship, these places will be reallocated before December 6, 2024, according to the following criteria:

General rules for reallocation due to return of quotas after allocation.

- The unused quotas will be offered, in principle, within the modality where these were returned (men's kayak, women's kayak, men's canoe or women's canoe). They will be offered for the formation of the largest boats, first unqualified K4 in case of missing a partial, K2-C2 in case of missing a partial or the totality if more than one place is returned.

Priority will be given to maintain the quota of team boats specified in the qualification process. After this reallocation, if there are still quotas that cannot be reallocated to complete a team boat, said quotas will be allocated to individual boats.

- If there are fewer participants than the number of quotas allocated, an attempt will be made to reallocate the quotas for the event in which the minimum number of places is not reached.
- If an event fails to complete the minimum participation quota for the Junior Pan American Games, even after reallocation, those quotas will be awarded to the next event that does not complete the minimum quota of boats.
- If there are unused quotas, these will be offered to the NOCs that have not qualified any athlete and the order in which the quotas will be distributed will be according to the order of final positions in individual events.
- In the extraordinary situation that there are left over quotas that cannot be reallocated among the participants in the 2024 Pan American Championship, it will be at the discretion of the COPAC President, following the recommendation of the Technical Sprint Committee Chair, to reallocate the quotas directly to countries that have not participated in the qualifier.

The reallocation process must be completed no later than December 6, 2024.

NOCs that have received reallocated quotas must confirm their participation no later than December 13, 2024.

Qualification for the 2027 Pan American Games

In Canoe Sprint, all gold medalists in the individual Olympic events (K1 and C1) will obtain direct qualification for the Lima 2027 Pan American Games. A total of 2 quotas for each gender (4 in total) will be allocated in these competitions.

The quotas obtained are for the athletes, not for the country. If the athlete who obtained the quota cannot participate in the 2027 Pan American Games, said quota will be forfeited and may not be transferred to the country or to any other athlete placed in another position in the Asuncion 2025 Junior Pan American Games.

Athlete eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

According to the Panam Sports nomenclature for these Games, all participating athletes must be within the U21 category (athletes born in the year 2005 - 2012), i.e., athletes cannot be older than 20 years old on December 31, 2025.

Qualification System

Paraguay, as host country, will qualify with 1 athlete per event and gender. In case the host country places among the first 14 qualifying places per event, its qualification quota and place will be transferred to the next country that has not yet qualified.

Wild Card

Six quota places will be allocated through wild card, 1 per event per gender.

QUALIFYING EVENTS		
Date	**Competition**	**Qualified athletes**
February 22 – March 2, 2025	Youth Pan American Championship Asunción, Paraguay	96 athletes

The NOCs will confirm to Panam Sports and the Pan American Fencing Confederation the places they will use no later than March 14th, 2025.

Reallocation of unused quota places

If necessary, the Pan American Fencing Confederation will reallocate unused quotas to the next best positioned NOC that has not yet qualified, no later than March 17th, 2025.

The NOCs that receive reallocated quotas must confirm their participation no later than March 21, 2025.

Qualification to the Lima 2027 Pan American Games

In Fencing, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 3 places for each gender (6 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

Athletes who qualify for the Asuncion 2025 Junior Pan American Games will not be eligible for another place for their NOC, however, another athlete may compete for another place through the Lima 2027 qualification system within the maximum quota per NOC.

The winner of ASU 2025 is entitled to participate in the Lima 2027 individual event only.

If the ASU 2025 winner is already part of the Lima 2027 qualified team, the country must decide whether the athlete participates under the ASU 2025 winner regime or qualifies for Lima 2027 through the normal route.

Only the winning countries in ASU 2025 will have the advantage of competing with three fencers in the individual event in case of qualifying to Lima 2027 with the team of their respective weapon.

All Federations qualified by team are entitled to participate with a team of 3 – 4 gymnasts. No fifth alternate gymnast is allowed.

Athletes' eligibility

Athletes must have signed and submitted the Athlete Eligibility Condition Form and should have a FIG License that is valid until the end of the event.

Men's Artistic Gymnastics athletes must be 15 and 18 years old up to December 31, 2025 (athletes born between 2007 – 2010).

Women's Artistic Gymnastics athletes must be 14 and 15 years old up to December 31, 2025 (athletes born between 2010 – 2011).

Note: 18 year-old MAG gymnasts that choose to participate in these Games may not participate in any Senior Category event during 2025.

Qualification system

Qualification for the Junior Pan American Games is based on the results of the 2024 Junior Pan American Artistic Gymnastics Championship that will be held in Santa Marta, Colombia from May 23 to 25, 2024.

In case of a tie in qualification, the tie break rules foreseen in Articles 7.1.1 and 7.1.2 of Section 2 of the FIG Technical Regulations shall be applied.

Quotas are for the NOCs, not for the gymnasts.

DISTRIBUTION OF PLACES			
Quota per gender	**Type of quota**	**Qualification**	**No.**
1 – 40	NOCs with a Team	One team from each of the NOCs qualified 1 – 10 in the Qualification Competition's Team results	10 x 4 = 40
41 – 50	NOCs with Individual gymnasts	Two gymnasts from each of the NOCs qualified 11, 12, 13, 14 y 15 in the Qualification Competition's Team results	5 x 2 = 10
51 – 56	NOCs with Individual gymnasts	Six gymnasts, maximum one per NOC, that are best positioned in the Qualification Competition's individual All Around result, from different NOCs to the ones already qualified according to the above-mentioned criteria.	6 x 1 = 6
57	Host NOC with an Individual gymnast	1 gymnast from the Host NOC, as long as the NOC has not already qualified through any of the above-mentioned criteria	1 x 1 = 1
57 Gymnasts			**22 NOCs**

If the 7 individual quotas (51 - 57) cannot be completed with gymnasts from countries different to the ones already qualified (less than 22 countries participating in the Junior Pan American Championship), the quotas will be reallocated as follows:

Starting with the teams qualified 11, 12, 13, 14 y 15 successively adding one Individual gymnast to each team.

If the Host NOC qualifies under any of the 3 first criteria, the Host NOC's individual quota will be reallocated to the next NOC in the Individual All Around standings that has not qualified yet under any other criteria.

The host NOC must compete in the qualifying event in the respective discipline (Junior Pan American Championship Santa Marta 2024) to receive its allocated places.

If the Host NOC qualifies 1 gymnast only, the Host NOC may add quotas to participate with a second gymnast or to complete a team of up to 4 gymnasts, with the approval of Panam Sports, the Organizing Committee of the Games and the National Olympic Committee. However, these quotas would be additional to the 57 allocated to the 22 qualified NOCs and the host country must compete in the qualifying event (2024 Junior Pan American Artistic Gymnastics Championship) with individual athletes or a team respectively.

Confirmation of quotas

The Pan American Gymnastics Union will confirm to Panam Sports and to the NOCs the quotas that they have earned no later than June 8, 2024.

The qualified NOCs should confirm to the Pan American Gymnastics Union the places they will use no later than June 21, 2024.

Reallocation of unused quota places

An order of priority to reallocate the quotas that could be left unused after the NOCs have confirmed their participation has been determined:

1. If a country withdraws its full team (1-10), the team qualification order will be followed to appoint a full new team.

2. In case that a country with a full qualified team withdraws 2 or more gymnasts, it will become part of the group of countries with individual qualification and may only participate with a maximum of 2 gymnasts. The full team quota will be allocated to the next qualified team.

3. If a country with individual qualification withdraws (Teams 11-15) its two gymnasts, the team qualification order will be followed to appoint a new country for qualification with 2 individual gymnasts.

4. Any other unused quota will be allocated as follows:
   a. Individual gymnasts (maximum one per country) until all of the countries that participated in the Junior Pan American Championship are completed.
   b. A third gymnast to the countries qualified 11 - 15
   c. A fourth gymnast to the country qualified 11 -15

NOTE: In any unforeseen case, the corresponding TC will make the decision, with the approval of the PAGU Board.

If necessary, the Pan American Gymnastics Union will confirm the reallocation of quotas no later than July 5, 2024.

The NOCs that receive reallocated quotas should confirm their participation no later than July 12, 2024.

Additional Observations

The maximum number of persons that a NOC may officially register is the following:

Gymnasts	According to qualification
Coaches	A maximum of 3 for countries with a full team A maximum of 1 for countries with individual gymnasts
Judges	By appointment by the PAGU's WAG and MAG Technical Committees and that fulfill the required FIG category. If possible, priority will be given to qualified countries and to the Members of the respective PAGU Technical Committees.
Head of Delegation	Maximum of 1 (the same one for WAG and MAG)

Qualification for Lima 2027 Pan American Games

In Artistic Gymnastics, all gold medalist in the individual All Around event will qualify directly to the Lima 2027 Pan American Games. One spot per gender (2 in total) will be allocated in these competitions.

The quotas earned for the Lima 2027 Pan American Games will be for the athletes, not for the country. These quotas will be additional to the ones earned for this Games.

If the gymnast that earned the place is registered as part of one of the participating teams in Lima 2027 Pan American Games or the athlete that earned the place is unable to participate in those Games, said place will be lost and may not be transferred to the country or to any other athlete in another position in the Asuncion 2025 Junior Pan American Games.

Rhythmic Gymnastics athletes should be between 14 and 15 years old by December 31st, 2025 (athletes born between 2010 – 2011).

Qualification system

Qualification for the Junior Pan American Games is based on the results of the 2024 Junior Pan American Rhythmic Gymnastics Championship (results of the Qualification Competition), to be held from June 5 to 8, 2024 in Guatemala, Guatemala.

In case of a tie in the individual qualification, the tie break rules foreseen in Articles 7.1.2 of Section 3 of the FIG Technical Regulations shall be applied.

In case of ties in the team standings, the following tie-breaking rules will apply:

1. The CON with the highest sum of E- scores of the 10 routines that count for the team total prevails.
2. The NOC with the highest sum of A- scores of the 10 routines that count for the team total prevails.
3. The NOC with the highest sum of D- scores of the 10 routines that count for the team total prevails.

1 - 8	Groups	Eight countries whose Groups are in the top 8 All Around positions of the Qualification Competition.	8 x 5 = 40
40 Gymnasts			**8 NOCs**

If the Host NOC qualifies for individual competition under any of the 2 first criteria, the Host NOC's individual quota will be reallocated to the next NOC in the Individual All Around standings that has not qualified yet under any other criteria.

If the Host NOC qualifies 1 gymnast only, the Host NOC may add quotas to participate with a second individual gymnast and/or with a group of up to 5 gymnasts, with the approval of Panam Sports, the Organizing Committee of the Games and the National Olympic Committee. However, these quotas must be additional to the 60 allocated to the qualified NOCs and the host country must compete in the qualifying event (Junior Pan American Rhythmic Gymnastics Championship Guatemala 2024) with individual athletes or a group respectively.

Confirmation of quotas

The Pan American Gymnastics Union will confirm to Panam Sports and to the NOCs the quotas that they have earned no later than June 24, 2024.

The qualified NOCs should confirm to the Pan American Gymnastics Union the places they will use no later than July 8, 2024.

Reallocation of unused quota places

An order of priority to reallocate the quotas that could be left unused after the NOCs have confirmed their participation has been determined:

Individual Competition:

1. If a country with 2 individual gymnasts (quotas 1-14) declines the participation of 1 or 2 gymnasts, the 2 quotas will be allocated to the next country in the team standing of the Qualification Competition. The country that declined may keep 1 individual quota (quotas 15-19) if the gymnast is in the top 3 positions of the individual All Around qualification, not considering the countries that earned 2 quotas according to the team results.
2. If a country with an individual quota withdraws its gymnast (quotas 15-19), the individual All Around results will be followed to appoint a new country.

Group Competition:

1. If a country with a Group (quotas 1-8) declines its participation, the quota will be allocated to the next country in the All Around results of the Group Qualification Competition.

NOTE: In any unforeseen case, the corresponding TC will make the decision, with the approval of the PAGU Board.

If necessary, the Pan American Gymnastics Union will confirm the reallocation of quotas no later than July 22, 2024.

The NOCs that receive reallocated quotas should confirm their participation no later than July 29, 2024.

Additional Observations

The maximum number of persons that a NOC may officially register is the following:

Gymnasts	According to qualification
Coaches	A maximum of 3 (1 for countries with individual gymnasts and/or 2 for countries with a Group)
Judges	By appointment of the PAGU's RG Technical Committees and that fulfill the required FIG category. If possible, priority will be given to qualified countries and to the Members of the PAGU Technical Committee.
Head of Delegation	Maximum of 1

Qualification for Lima 2027 Pan American Games

In Rhythmic Gymnastics, the gold medalist of the individual All Around event will qualify directly to the Lima 2027 Pan American Games. A total of 1 quota will be allocated in this competition.

The quota earned for the Lima 2027 Pan American Games will be for the athlete, not for the country. This quota will be additional to the ones earned for Lima 2027. If the gymnast that earned the place is unable to participate in the Lima 2027 Pan American Games, said place will be lost and may not be transferred to the country or to any other athlete in another position in the Asuncion 2025 Junior Pan American Games.

2. 01 quota per weight category will be directly allocated to the host country. The athlete must have participated in at least one event of the qualification circuit.
3. Maximum of one representative per country in each weight category.
4. The score will be of the athlete and will not leave the quota to his/her country (in case of not competing).
5. The four (04) best scores obtained between qualification events will be considered. The athlete must have a minimum of 80 points to be considered eligible for qualification.
6. If two or more athletes have the same score in the ranking, the ranking will be decided by:
    a. The athlete who, in his/her 4 best scores in qualification events, has the highest sum of points obtained in Junior Pan American Championships;
    b. If a tie persists, the athlete who in his/her 4 best scores in qualification events, has the highest sum of points obtained in Junior Pan American Cups;
    c. If a tie persists, the highest score of an event will be considered; then, if required, the second highest score will be considered and so on.
    d. If the athletes remain tied, the Pan American Judo Confederation Executive Committee will make the decision.
7. In case that a quota cannot be reallocated in a weight category:
    a. The quota will be reallocated to the athlete with the highest score (female or male) across all the gender's weight categories,
    b. The athlete must have a minimum of 80 points to be eligible,
    c. The maximum quota per NOC in each weight category must be respected,
    d. The tie-breaker system described in point 6 shall apply.

Athletes' eligibility

1. The athletes must have signed and submitted the Athlete Eligibility Condition Form.

2. An athlete may qualify an NOC for the Asuncion 2025 Pan American Junior Games only when eligible to represent that NOC under Panam Sports regulations.

3. Once a competitor has qualified a NOC in any event, he or she may not thereafter qualify another NOC, irrespective of any change in their nationality as defined by Panam Sports, or their ability to claim multiple citizenship.

4. All competitors must be at least 17 years old and not more than 22 years old in the year of the Pan American Junior Games (year of birth 2003 - 2008, inclusive).

NOC Qualification

1. The host country will automatically qualify one boat place in each of the six Pan American Junior sailing events.

2. The best-ranked NOCs in the men's and women's windsurfing events across the 2022, 2023 and 2024 World Sailing Youth World Championships will qualify one boat place per Pan American Junior Games event according to the quotas in the Qualification System table.

3. The best-ranked NOCs in the men's and women's kite events across the 2021, 2022, 2023 and 2024 World Sailing Youth World Championships will qualify one boat place per Pan American Junior Games event according to the quotas in the Qualification System table.

4. For purposes of NOC qualification in men's and women's events, men and women shall be ranked separately in regattas based on their final placement, where men and women race together. This approach will also apply to "age-groups".

5. Once a competitor has qualified a NOC in any event, he or she may not thereafter qualify the NOC in another event.

6. Equipment Class Rules requiring athletes to be members of Class Associations shall apply.

Qualification System

For the events to be considered valid, athletes from a minimum of three countries must compete in the corresponding event of the Qualification Regatta.

If a designated Qualifying Regatta is cancelled or fails to meet the requirement for a valid series, the places will be divided among valid regattas for the relevant event(s) in a proportion determined by the Qualification Committee. The Qualification Committee will attempt to maintain continental balance with respect to location in the selection of alternate Qualifying Regattas.

The Notice of Race of a Qualifying Regatta shall be reviewed and approved by Panam Sailing before the event.

The Notice of Race of a Qualifying Regatta shall specify that:

a) For purposes of country qualification for the 2025 Junior Pan American Games, the Qualification System and Regatta Schedule, Sailing - 2025 Junior Pan American Games, Asuncion, Paraguay (Qualification System), shall apply. See http://panamsailing.org
b) All events designated as qualifiers for the Junior Pan American Games shall conform with the formats specified for those events in the Section of Maximum Quota Per Event of the Qualification System. For the Windsurfing events the equipment shall be the same as used in the Olympic Games (with the exception of the previous World Sailing Youth World Championships).
c) A competitor may qualify a country for the 2025 Junior Pan American Games only when eligible to represent that country under IOC and Panam Sports and World Sailing rules and shall provide their valid World Sailing ID number to the organizer. The athlete shall be age eligible for the 2025 Junior Pan American Games - all competitors shall be at least 17 years old and not more than 22 years old in the year of the 2025 Pan American Junior Games (year of birth 2003 - 2008, inclusive).
d) Class Rules requiring competitors to be members of the relevant Class Associations shall apply.

The Principal Race Officer (PRO) for a Qualifying Regatta shall be certified as a World Sailing International Race Officer (IRO). Requests for replacement of the International Race Officer with a nationally certified Race Officer must be submitted for approval by Panam Sailing at least 30 days prior to the start of the regatta.

The International Measurer who serves as the Equipment Inspector Chief shall chair the Technical Committee for a qualifying Regatta and shall be certified as a World Sailing International Measurer (IM). Requests for replacement of the International Measurer with a nationally certified Measurer must be submitted for approval by Panam Sailing at least 30 days prior to the start of the regatta.

The Protest Committee for a Qualifying Regatta shall be constituted as an International Jury in accordance with Appendix N of the 2025-2028 Racing Rules of Sailing. The Notice of Race and the Sailing Instructions shall specify that the right of appeal is denied, as per RRS 70.5.

The Qualifying Regattas for each event of the 2025 Junior Pan American Games and the number of boat places allocated to each regatta are listed in this document:

Confirmation of quotas

Panam Sailing shall confirm to Panam Sports and NOCs the places qualified by the NOCs no later than February 28, 2025.

NOCs shall confirm to Panam Sports and Panam Sailing the places they will use no later than March 14, 2025, though Panam Sailing will request an earlier response based on earlier notification (as per above).

Allocation of universality quota places

NOCs/MNAs shall submit applications for universality quota place(s) no later than March 21, 2025 to the following emails: hagedornfh@gmail.com and andrea@panamsports.org

Panam Sailing shall confirm the allocation of universality quota places to the NOCs and Panam Sports no later than March 31, 2025.

NOCs shall confirm their intention to use allocated universality quota places to Panam Sports and Panam Sailing no later than April 11, 2025.

Universality places will be allocated by the Qualification Committee according to the following criteria:

a) Results of age-eligible athletes in the 2021 (not windsurfing), 2022, 2023 and 2024 World Sailing Youth World Championships, 2024 South American Youth Championships, 2025 Mayan Windfest, 2025 Semana de Buenos Aires (for ILCA), ILCA Mid-Winters East, Regional Games and Equipment Class Championships.

b) The status of the designated athlete in the WS World Rankings available on March 10, 2025 (if applicable).
c) Continental balance with respect to NOC representation in the specified event and in the Games overall.

Reallocation of unused quota places

If necessary, Panam Sailing will reallocate unused quota places no later than April 18, 2025, according to the process outlined below.

NOCs that received reallocated quotas shall confirm their intention to use the places to Panam Sports and Panam Sailing no later than April 25, 2025.

Unused quota places will be allocated by the Qualification Committee according to the following criteria:

a) Results of age-eligible athletes in the 2021, 2022, 2023 and 2024 World Sailing Youth World Championships, 2024 South American Youth Championships, 2025 Mayan Windfest, 2025 Semana de Buenos Aires (for ILCA), ILCA Mid-Winters East, Regional Games and Equipment Class Championships; the World Sailing World Rankings (if applicable); and continental balance.

b) The Qualification Committee may reallocate unused quota places from one event to another.

Qualification for Lima 2027 Pan American Games

In Sailing, the gold medalists in individual events will qualify directly to the Lima 2027 Pan American Games. Three (3) spots per gender (6 in total) will be allocated in these competitions.

These places will be allocated to the athletes, not the country. If the athlete who earned the place cannot participate in the Lima 2027 Games, said place will be lost and may not be transferred to the country or to any other athlete in the corresponding event of the Asuncion 2025 Junior Pan American Games.

Athlete eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

According to the Panam Sports nomenclature for these Games, all participating athletes must be within the **U22 category (athletes born in 2004 or after)**, athletes cannot be older than 21 years old until December 31, 2025; **complying with article 3.7.4.12 of the International Shooting Federation**.

Qualification system

QUALIFICATION EVENTS		
Date	**Competition**	**Qualified Athletes**
Feb 27 – March 6, 2025	Rifle and Pistol Qualification Event Asuncion, Paraguay	72 athletes
March 7 – 17, 2025	Shotgun Qualification Event Bridgetown, Barbados	32 athletes

- Panam Sports approved 104 quotas for Asuncion 2025.
- The quotas will be distributed in two qualification events for the II Junior Pan American Games Asuncion 2025 as follows:
    - In Asuncion, Paraguay, on February 27 to March 6, 2025 – The Rifle and Pistol Qualification Event.
    - In Bridgetown, Barbados, on March 7 to 17, 2025 – The Shotgun Qualification Event.
    - The quotas will be granted according to the competitor's position in the sport shooting qualification event, as per the competition program.
- The Maximum Quota per NOC is 16 athletes, 8 men and 8 women.
- 17 athletes will qualify for each of the 4 individual events of Rifle and Pistol. Total: 68 quotas.
- 7 athletes will qualify for each of the 4 individual Shotgun events. Total: 28 quotas.
- **Host country:**
    - With the purpose of ensuring the participation of the host country in all the events, it will be granted 8 quotas: 4 men and 4 women (1 athlete per individual event).
    - If Paraguay obtains the maximum quota in the qualification event, the quota secured for the host country will be reallocated.

- **Mixed Team:**
    - The federations must use their qualified athletes in individual events to participate in the Mixed Teams event.
    - The allocation of quotas will be done once the 8 individual events of the qualification event are finished.
    - A quota will be allocated to the countries that finish in the top places of the 8 individual competitions.
    - A quota is then allocated to the countries that placed second in each competition.
    - A quota is then allocated to the countries that placed third in each competition. If a country completes the maximum number of athletes per event or per gender (Men / Women), the quota will be granted to country in the next position.

- This process is repeated until the athlete quota per event is completed. This way, a fair distribution of quotas for the 8 events is guaranteed, as it is based on the position earned in the qualification event.

- An athlete can only earn one quota. If he/she repeats in another event in a position with a quota, the quota will be transferred to the next shooter who did not have a quota previously.

- The quotas earned in Rifle and Pistol must be used for the event in which it was obtained. The athletes may not switch between events, such as Rifle for Pistol or vice versa.

- In the event that it is not possible to allocate the full number of quotas in the Rifle, Pistol and Shotgun events, for both men and women, the American Shooting Confederation may redistribute these unallocated quotas within the same event using the qualification event, universality and gender equality as the basis for the allocation of these quotas, in order to ensure the greatest number of countries participating in the II Junior Pan American Games.

- The earned quotas that are not used must be returned to the CAT president for redistribution within the dates established for quota reallocation.

Confirmation of quotas

The CAT will confirm to Panam Sports and to the NOCs that have qualified no later than March 28, 2025.

No later than April 4, 2025, the NOCs must confirm to Panam Sports and to the CAT the quotas they will use.

Reallocation of quotas

If necessary, no later than April 11, 2025, the CAT will reallocate unused quotas to the next best positioned NOC that has not yet qualified.

The NOCs that receive reallocated quotas must confirm their participation no later than April 18, 2025.

Qualification for the 2027 Pan American Games

In Shooting, all gold medalists of individual events will obtain direct qualification for the 2027 Pan American Games. 4 quotas per gender (8 in total) will be the quotas allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

Qualification for the Dakar 2026 Youth Olympic Games

In Shooting, all gold medalists of individual events will obtain direct qualification for **the NOC** for the Dakar 2026 Youth Olympic Games. 4 quotas per gender (8 in total) will be the quotas allocated in these competitions. **The places obtained are for the country, not for the athlete.**

Only NOCs recognized by the Panam Sports and whose National Skating Federations are member of World Skate and World Skate America may enter athletes in the Asuncion 2025 Junior Pan American Games.

All athletes who participate must be under the age of 21 years (athletes born in 2005 or after). Athletes can be up to 20 years old by December 31, 2025.

All athletes must be listed by their name in the World Skate Ranking on the official World Skate website as of April 28, 2025.

Qualification System

Qualification will be based on the World Skate Ranking (WSR).

QUALIFICATION EVENTS		
Date	**Competition**	**Qualified athletes**
April 28, 2025	World Skate Ranking	18 women 18 men

The Host Country is granted the minimum quota per country of 1 man and 1 woman for the country's highest ranked skateboarders in the WSR, in case that no athlete from the host country has already qualified following the Qualification System criteria.

In case it is not possible to complete the full athlete quota per event (18 athletes per gender) due to the country quota limitation, or the lack of athletes from the host country in the World Skate Ranking, World Skate and Panam Sports will evaluate jointly possible solutions to complete the field of competitors.

Wild Cards

NOCs without athletes listed in the WSR shall submit applications for universality quota place(s) (up to 2 spots per gender) from April 14 to April 28, 2025, to the following emails: **skateboarding@worldskate.org** and **andrea@panamsports.org**

World Skate will select athletes from applications based on the following criteria:

1. A quota (1 per gender) will be allocated to the host NOC in case Paraguay has not qualified athlete through the ranking
2. If the number of countries proposing athletes for wild cards is lower than the available quotas at least one athlete per NOC will be selected.
3. If the number of countries proposing athletes for wild cards exceeds the available quota, priority will be given to increasing the number of countries participating in the event.

All the universality places will be allocated considering the maximum quota per NOC and gender and according to the established quota.

Confirmation of quotas

World Skate will confirm the number of achieved qualification and universality places per NOC to Panam Sports and to all NOCs no later than April 30, 2025.

The NOCs must confirm the quotas they will use to Panam Sports and World Skate no later than May 5, 2025.

Reallocation of unused quota places

All the qualification spots are allocated by athlete's name and can be used only by the qualified athlete.

If an allocated qualification spot is not confirmed by the confirmation deadline, or the qualification spot is declined by the NOC, this spot will be reallocated to the next eligible highest ranked athlete by name in the World Skateboarding Ranking (WSR) while respecting the maximum country quota per each NOC.

World Skate and World Skate America will reallocate unused spots to the next best ranked and not yet qualified NOC not later than May 6, 2025.

NOCs that receive reallocated quotas must confirm their acceptance and participation no later than May 8, 2025.

Qualification for Lima 2027 Pan American Games

In Skateboarding, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. 1 spot per gender (2 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

Athletes must register with their Spin Number of the World Squash Federation (WSF).

Only recognized NOCs by Panam Sports, whose National Squash Federations are members of the World Squash Federation (WSF) and the Pan American Squash Federation (PSF) may enter athletes in the Squash competition of the Asuncion 2025 Junior Pan American Games.

All participants must be within the U23 category (athletes born between 2003 - 2011).

Qualification System

QUALIFICATION EVENTS		
Date	**Competition**	**Qualified athletes**
October 6th – 12th, 2024	U23 Pan American Championship	60

In the Pan American Championship, up to 60 athletes (30 per gender) will qualify including the host country, for a total of 10 teams of 3 athletes per gender.

As the host country, Paraguay will qualify automatically with a full team though it must participate in the selection event, as the qualifying position for the doubles and team events will be defined in said event.

Confirmation of quotas

The PSF will confirm to Panam Sports and to the NOCs the places they have qualified by October 19, 2024.
The NOCs will confirm to Panam Sports and to the PSF the places they will use no later than November 2, 2024.

Reallocation of unused quota places

If necessary, PSF will reallocate unused quotas to the next best positioned NOC that has not yet qualified, no later than November 16, 2024.
The NOCs that received reallocated quotas must confirm their participation no later than November 30,2024.

Qualification for Lima 2027 Pan American Games

In Squash, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. 1 spot per gender (2 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

If any of these regional championships (qualifying events) are not held, the quotas will go to the best teams of each region, as long as they are among the top 20 in the world team ranking (counting only Pan American teams; otherwise, these places will go to the best teams of the continent).

In the case of individual quotas granted by the world ranking, these will be for the countries that have not yet qualified a team in the regional events. The athletes who have qualified by world ranking may participate in the singles category, as well as in the doubles and team categories in the event that the two individual quotas are won by the same NOC, and in the mixed doubles category in the event that the same NOC qualifies in the singles category in both genders.

Confirmation of quotas

ITTF Americas will confirm to Panam Sports and to the NOCs that have qualified no later than May 25, 2025 and Individual places on May 26, 2025.

The NOCs will confirm to Panam Sports and to ITTF Americas the quotas they will use on May 27, 2025.

The Pan American Table Tennis Confederation ITTF Americas will define the competition format of the respective regional qualification events.

Reallocation of quotas

If necessary, ITTF Americas will reallocate unused quotas to the next best positioned NOC in the qualification regional event, in case that the quotas of a qualified team are not confirmed May 29, 2025.

The NOCs that receive reallocated quotas must confirm their participation no later than on May 30, 2025.

Qualification for the 2027 Pan American Games

In Table Tennis, all gold medalists of singles events will obtain direct qualification for the Lima 2027 Pan American Games. 1 quota per gender (2 in total) will be allocated in these competitions.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

These places will be an additional quota in the singles event only for the qualified player; in this case, if the NOC to which this player belongs qualifies for the Lima 2027 Pan American Games, said NOC may register its established maximum quota plus the qualified player for the singles event; however, if the qualified player is registered as part of the maximum quota, this additional quota is without effect and said place will be lost and may not be transferred to the country or to any other athlete placed in another position in the Junior Pan American Games Asuncion 2025.

EXPLANATORY NOTES BY EVENT

An NOC qualifies for the MIXED TEAM KYORUGI event if it has 3 or more athletes qualified in any of the events and fulfilling the maximum quota established per NOC.

NOCs that have more than 3 athletes must select the 3 athletes that meet the weight requirement per team, thus forming the mixed team. If any of the athletes had an injury before starting the individual competition, the NOC would have the possibility to use a substitute from the qualified athletes, as long as they meet the weight requirement.

Athletes must have the team weight on the third day of competition:
Mixed Team: -200 kg

Qualification for the Poomsae Event will be for 2 athletes, who will compete in 2 modalities:
- Poomsae Freestyle Mixed Pairs
- Individual Traditional Poomsae (Women and Men)

The same 2 athletes who compete in Pairs Freestyle will be the same athletes who will compete in the Individual Traditional event.

Athlete eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

All participating athletes must be in the U22 category; that is, athletes born between 2004 – 2009.

All athletes must participate in at least 3 of the 4 qualification events to be placed in the PATU U22 single ranking and this way, be able to obtain qualification for the Asuncion 2025 Junior Pan American Games.

The ranking is obtained by the participation of the same athlete in the different qualification events, that is, the athlete cannot be changed from one event to another.

All athletes must have qualified by the PATU U22 single ranking.

In order to obtain their quotas, athletes from the host country must participate in at least 1 of the 4 qualification events of the PATU U22 single ranking; thus, in the competition they will be awarded the #4 spot of the ranking.

Athlete eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

All athletes must be U19 (athletes born between 2007 and 2011).

Only the NOCs recognized by Panam Sports, whose National Tennis Federation is affiliated to the Pan American Tennis Confederation (CPT) and the International Tennis Federation (ITF) may enter athletes to participate in the Asuncion 2025 Junior Pan American Games.

Qualification system

QUALIFICATION EVENTS		
Date	Competition	Qualified athletes
May 19, 2025	ITF Junior Ranking	29
May 26, 2025	Wild Cards	3

As host country, Paraguay automatically qualifies for the tennis competition of the Asuncion 2025 Junior Pan American Games with a full team (three men and three women).

Direct acceptances will be covered with the athletes registered by each country, giving priority to the best placed athletes in the ITF Junior Ranking in force as of May 19, 2025.

The doubles draw will be formed with the tennis players already accepted for singles. The athletes qualified by the NOC will be added to those indicated below.

The CPT will allocate wild cards (invitations).

Pre-registration and wild cards process

All NOCs must submit a list of the athletes they wish to register. Said list must be sent from May 2 through May 20, 2025. A list based on the ranking criteria explained above will be prepared to determine the athletes selected for this competition.

Likewise, the NOCs that wish to request wild cards must do so no later than May 26, 2025.

The lists must be sent to the following emails: **rodrigo.valdebenito@cosat.org and andrea@panamsports.org**

Athletes who are not selected will be ranked according to their position in the ITF Junior Ranking, and if they do not have one, according to their World Tennis Number (and if they do not have one, by draw), so that athletes can be registered through the reallocation of unused places, according to Panam Sports regulations on this matter.

For an athlete to be entitled to a reallocated quota, he or she must be in the pre-registration list.

The pre-registration process if different from the entry by number and long list that the National Olympic Committees must submit through the Games' system no later than May 9, 2025.

Confirmation of quotas

The Pan American Tennis Confederation (CPT) will confirm to Panam Sports and to the NOCs that have qualified no later than May 29, 2025.

No later than June 2, 2025, the NOCs must confirm to Panam Sports and to the CPT the places they will use.

Reallocation of quotas

If necessary, no later than June 5, 2025, the CPT will reallocate unused quotas to the best placed NOC that has not yet qualified.

The NOCs that have received reallocated quotas must confirm their participation no later than June 12, 2025.

Qualification for the 2027 Pan American Games

In Tennis, all gold medalists of individual events will obtain direct qualification for the 2027 Pan American Games. One quota per gender (2 in total) will be the quotas allocated in this competition.

The places obtained are for the athletes, not for the country. If the athlete who earned the quota cannot participate in the Lima 2027 Pan American Games, the quota will be lost and may not be transferred to the country or to any other athlete placed in another position in the II Junior Pan American Games Asuncion 2025.

All participating athletes must have been born in 2004 – 2007; they may be up to 21 years old by December 31, 2025.

Qualification system

- The places obtained are for the country, not for the athlete.
- The same athlete cannot qualify for more than one quota per country.
- All places will be obtained in the regional qualification events.
- Each country can only participate in one qualification event of its region.
- Each country may enter a maximum of 6 athletes in its regional qualification event.

Note: As the host country, Paraguay has 2 quotas per gender.

In the event of vacancies that cannot be filled and/or reallocated by a cancellation and doing a roll down in the qualification events, Americas Triathlon will allocate the vacant spots based on the following technical criteria:

- Present as many competitive mixed relay teams as possible.
- That as many National Federations as possible present one female and one male athlete.
- Participation and results in Americas Triathlon championships and camps will be considered.
- In the case of the Caribbean, the results of the last Regional Championships will also be considered.

I.- Qualification Criteria for Slalom, Tricks, Jump and Overall

1. Countries ranked from 1st to 5th place will be allowed 4 team members (20 skiers). Paraguay, as host country, will have 4 slots for its team (4). The 6th and 7th ranked countries will have 2 slots each for their team (4) the 8th ranked country will be allowed 1 slot (1). Three (3) wild cards will be granted to the countries that did not participate in the qualification event. These wild cards will be determined by the Executive Committee of the Pan American Confederation (3). The unused wild cards will be reassigned to the 6th, 7th and 8th place of the qualified countries, in that order. A total of 32 athletes may attend.

2. If Paraguay is ranked among the top 5 ranked countries, the next country ranked from 1st to 6th (24) will be granted the place with 4 team members. The 7th and 8th ranked countries will be allowed 2 slots each (4). The 9th ranked country will be allowed 1 place (1). (If the host country obtains a quota in the qualification event, this quota will be assigned to the next country according to the final positions). The 3 wild cards will be reallocated in the same way as described in point No. 1, for a total of 32 athletes.

II.- Requirements and composition of athlete quotas for teams

1. Each NOC may have a maximum of 4 athletes. Both genders must be represented; that is, an NOC may have a maximum of 3 athletes of the same gender.

2. When an NOC has a team of three or four skiers:

    a. The team must have competitors representing both genders and each gender must have one competitor in each event.

    b. No more than one competitor may compete in one event and at least one competitor must compete in three events. That is, there may only be one expert and at least 1 athlete must do all three modalities (jumping, tricks and slalom) in each team.

    c. Only three skiers per gender and from the same country may participate in the preliminary rounds.

    d. Only two skiers per gender and from the same country may participate in the finals.

3. When an NOC has a team with one or two competitors: Competitors may be of either or both genders and must compete in at least two events.

4. To participate in the overall event, a competitor must compete in two or three events between jumping, tricks and slalom.

III.- Qualification Criteria for Wakeboard

1. Qualified countries in the qualification event in Orlando that place 1st through 8th will be allowed 1 athlete per gender, for a total of 16 athletes. In the qualification event each country may enter up to two men and two women, for a total of 4 athletes per country.

2. If Paraguay qualifies among the first 8 top countries, the next country ranked from 1st to 8th place will be awarded the quota.

Confirmation of quotas

The IWWF Panam will confirm to Panam Sports and to the NOCs the places they have qualified by October 25, 2024.

The NOCs will confirm to Panam Sports and to the IWWF Panam the places they will use no later than November 4, 2024.

Reallocation of unused quota places

If necessary, IWWF Panam will reallocate unused quotas to the next best positioned NOC that has not yet qualified, no later than November 8, 2024.

The NOCs that received reallocated quotas must confirm their participation no later than November 15,2024.

Athletes' Eligibility

The athletes must have signed and submitted the Athlete Eligibility Condition Form.

All athletes must have been born between 2002 and 2007.

In addition, they must have a valid 2025 United World Wrestling license.

Qualification system

The 8 quotas per event and weight division will be obtained in the following competition:

QUALIFICATION EVENT		
Date	**Competition**	**Qualified athletes**
April 3 – 6, 2025	2025 Pan American U23 Championship Queretaro, México	96 men 48 women

No athlete who has earned a qualification spot may obtain a quota in a different event or weight division.

The host country (Paraguay) will automatically qualify for all categories in which it has representation in the II Junior Pan American Games Asuncion 2025. However, Paraguay must have a representative in each weight division of the 2025 Pan American U23 Championship to confirm its quota in each category for the II Junior Pan American Games. For example, if Paraguay wants to qualify for the 57 kg Freestlye event, it must send an athlete to compete in said category at the Pan American U23 Championship. It is important to note that the athlete who competes in the Pan American Championship may be different from the one who competes in Asuncion 2025.

If Paraguay is not able to qualify for a weight division during the Qualification Event, the 7 first places of said category will qualify and the eighth spot will be automatically allocated to the host country (Paraguay).

Wild Cards

Wild Card will be allocated by United World Wrestling (UWW) and United World Wrestling Americas (UWWA) to foster global participation, following the universality principle of the International Olympic Committee (IOC).

There will be 2 wild cards per style, 6 in total, and the weight divisions in which they will be allocated will be established according to the following criteria.

The 2 wild cards per style will be given in weight divisions in which, taking into account the host country, there are less than 8 athletes participating in the qualifying event.

In case there are no categories with less than 8 athletes, the wild cards will be assigned considering the following:

- That in that weight division there is no athlete from Paraguay registered.

- The divisions with the lower level of competition will be taken into account, i.e. the divisions with the lowest number of registered athletes.

In case there are more than two categories with the same number of participants, the level of the division will be evaluated considering the following aspects:

1. Less amount of victories.
2. More defeats by touch.
3. The greater number of defeats by technical superiority.
4. Less amount of classification points.
5. Lower amount of technical points scored.
6. Most technical points received.
7. Once these points have been taken into account, the weight division in which the wild card will be assigned will be determined.

Criteria for the assignment of Wild Cards:

1. **Participation in Qualifying Events:** National Olympic Committees (NOCs) that participate in qualifying events but have failed to qualify any athletes will receive consideration for Wild Card places.

2. **Athletes' Results:** Within these NOCs, the Wild Card places will be awarded to the NOCs whose athletes have obtained the best results in the qualifying event, for example, if the wild card was awarded in the GR 130 kg. division in which we have 10 registered athletes and the venue qualified in 3rd place in the U23 Pan American Championship, the 8th place in the classification would be awarded and this place would belong to the country that fulfills the above mentioned criteria.

3. **Special cases:** In case no NOC meets the above criteria, the UWW and the UWWA will determine the reallocation of this wild card to the country they consider relevant, this to promote the principle of universality and support the development of the sport in the region.

Confirmation of quotas

UWWA will confirm to Panam Sports and to the NOCs that have qualified no later than April 18, 2025.

No later than April 25, 2025, the NOCs must confirm to Panam Sports and UWWA the quotas they will use.

Reallocation of quotas

If necessary, no later than April 28, 2025, UWWA will reallocate unused quotas to the next best positioned NOC that has not qualified yet.

No later than May 2, 2025, the NOCs that receive reallocated quotas must confirm their participation.

Qualification for the Lima 2027 Pan American Games

In Wrestling, all gold medalists of individual events will obtain direct qualification for the Lima 2027 Pan American Games. A total of 12 quotas for men and 6 quotas for women (18 in total) will be allocated in these competitions.

These quotas will be allocated to the athletes, not the country. If the athlete who earned the place cannot participate in the Lima 2027 Games, said place will be lost and may not be transferred to the country or to any other athlete in the corresponding event of the Asuncion 2025 Junior Pan American Games.

If a country qualifies another athlete of the same weight category and event for the Lima 2027 Pan American Games, there will be two athletes from the same country who are qualified for the same division.

In this case, both athletes must face each other in an additional combat on the same day of the competition, after the official weighing. The winner of this combat will be the athlete who will officially participate in the corresponding event in the Lima 2027 Pan American Games.
